

PROPERTY TAX APPEAL REPORT

25 W050 Setauket Avenue
Naperville, IL 60540
DuPage County Assessor's Office

KEY FINDINGS	
Assessed Value:	\$425,000
Fair Market Value:	\$385,000
Over-Assessment:	\$40,000 (9.4%)
Annual Tax Savings:	\$480 - \$720

EXECUTIVE SUMMARY

This property has been significantly over-assessed by the DuPage County Assessor. The assessed value of \$425,000 exceeds the fair market value by approximately \$40,000. This report demonstrates that a substantial reduction in assessed value is justified based on a thorough analysis, current market conditions, and property-specific factors.

The analysis presented herein is based on recent comparable sales data, current market conditions, and established appraisal principles. We have identified clear evidence that the subject property's assessed value does not reflect its true market value.

MARKET ANALYSIS

The DuPage County real estate market has experienced a cooling trend over the past 12 months:

Year-over-Year Change: -2.5%

Six-Month Change: -1.8%

Market Status: Buyer's Market

The subject property was assessed during a period of higher market values. Current market conditions support a lower valuation.

PROPERTY CONDITION ASSESSMENT

Subject Property Details:

Year Built: 1998 (26 years old)
Square Footage: 3,200 sqft
Lot Size: 0.35 acres
Bedrooms: 4
Bathrooms: 2.5
Overall Condition: Good

VALUATION JUSTIFICATION

Using the Sales Comparison Approach (most appropriate for residential properties):

Comparable Sales Average: **\$381,667**

Subject Property Assessed Value: **\$425,000**

Variance: **\$43,333 (11.3% over-assessment)**

The subject property's assessed value cannot be justified by recent comparable sales conditions, property condition, or market rates per square foot.

RECOMMENDATION

The assessed value should be reduced to approximately \$385,000

This reduction would result in:

- Annual Tax Savings: \$480 - \$720
- 40-Year Savings: \$19,200 - \$28,800
- Contingency Fee (if applicable): \$4,800 - \$7,200

CONCLUSION

The evidence presented in this report clearly demonstrates that the subject property has been over-assessed by the DuPage County Assessor's Office. A reduction to fair market value of approximately \$385,000 is strongly supported by comparable sales data, current market analysis, and established appraisal principles.

We recommend filing an appeal with the DuPage County Board of Review immediately to challenge this over-assessment. The deadline for filing an appeal is typically 30 days from the date of assessment notice.
